

CIPFA sub-committees

Audit Committee	Maintains oversight of corporate governance throughout the CIPFA Group and management of external and internal audit.
Students and Members Board	Oversight of activities to develop the membership and professional standards including member services, qualifications, education, training and regulation. This includes advising and supporting the CIPFA Regions and supervising the Disciplinary Scheme.
Public Financial Management Board	Oversees the Institute's work on policy and technical issues including the specialist Forums and therefore plays a key role in CIPFA's thought leadership and influence on public finance management. Supports the continuous improvement of standards in public finance, management and governance, particularly in UK local government where the Institute has formal standard setting responsibilities.
Remuneration Committee	Holds full delegated responsibility for decision making in relation to pay and conditions of specified members of staff employed by the CIPFA Group, including the CEO and executive directors.
Commercial Board	Guides commercial operations in line with the overall strategic direction set by Council. Oversees the wholly owned subsidiary, CIPFA Business Ltd.
Nominations Committee	Supports Council by overseeing the elections and appointment processes and advising on nominations. Ensures that all appointments and nominations support the Institute's diversity and inclusion objectives.
